OFF MY CHEST

Editor's Notes

This is where it all began. Long before spread pussies, long before penetration, long before blowjobs, long before breast implants, there was Gent. Gent has been tits, tits and more tits for over 50 years. In the beginning Gent featured big, saggy natural boobs. Now Gent features all things boob. We are still "Home of the D-Cups", but we go much further into the alphabet. We love all sorts of breasts from natural to freaky implanted. We love 'em all! This month however, we are going all natural, nothing but huge, soft floppy natural tits. Putting this issue together my cock was in a constant state of arousal. This first pair I ever had the pleasure to play with were much the same as some of these girls. I think that's what set me off on the quest for huge hooters. It's still up for debate whether boob guys are born or bred. Each of these models was blessed by the Boob Gods. One of the most incredible examples of a woman is the unbelievable **Kelly Madison**. Her body is a true work of art! Just take a minute to really take in how fucking hot she truly is. 100% woman! Every girl in this issue is spectacular. There ain't a bad boob amongst 'em. **Cierra's** sweet evil smile is a perfect topper for over her sensational rack. **Reyna** definitely sports the hooters, but loves the cock as well. **Gianna's** tits are pretty near perfect. **Cassandra** is young, innocent, (ya right!), and smokin' hot with incredible tits. Another young and untouched hottie is **Lisa Marie**. Her boobs were wonderful when I shot her and they still are. **Laura** loves to do the tube steak boogie and finish with that snake in her deep cleavage. **Roxy's** breasts have been favorites of mine since the first time I met her. Her body is all curvy and soft and she has a couple of the cutest dimples when she smiles. Don't let that smile fool you though, she is one dirty girl, who loves all things sex. Speaking of sexual dynamos, **Reyna** has the tits, the ass and the desire to get fucked. The best part is; she does it all with a smile. Well that's probably not the best part, but she does look good when she's getting fucked. **Sydney** was a find and a half. Natural F-cups. Did you get that? NATURAL F-CUPS on a 5'5" 118 lb frame. Shit... I just came from looking at her pictures! Oh well, that happens sometimes, it's always a risk when choosing sets for Gent. **Charlee Chase** has beautiful natural tits. I know, I know, I've said that about every single girl here... but it's true. I know once you get through the entire issue, you're going to be agreeing with me fully. Last, but by no fucking means least is the incomparable **Maria Moore**. When I featured her a few months back, her tits virtually took up half the cover. She has more tit-flesh per capita than just about any girl I have ever had the wet-dream pleasure to meet. That's what you call an all-star lineup for the layouts, but that's far from all the super-naturals we're giving you this month. The News Rack is overflowing this month with a couple of smokin' naturals – **Carly Parker** and **Alexis Silver**- as well as all the news with tits! **Amber** goes for the fruit tray in FoXXX On The Run. She's staying away from the red meat. **Ms. Deja** and her floppy fun-bags go down on Rhiannon in Breast of times. In Confessions of a Big Tit Porn Slut **Vida Sadora** mashes tits and slits with **Kerra Dawson**. That should give you a good idea of what we have in store for you this month, but there's even more. So sit back and enjoy our first – but definitely not our last – all natural tit issue. Whether natural or implanted, we love 'em all, because at the end of the day, It's All About The Boobs!

TALE OF TWO TITTIES...

Dear Gent,

Puma Swede getting hosed down is just plain hot!

Daryl, Chicago, IL

Dear Gent,

I've always thought that Summer Cummings was a doll. But the pictorial with her in the doll box is amazing. You could not have picked a better model to pull that off. Puma with the hose is hot. Hey, I have a hose for her too. Alicia DiMarco in the garage; I have a hot rod for her... I could go on forever!

This is the first time that I've ever seen Kate Frost, and I hope it won't be the last. She is so damn cute. Her tits are sweet and so is her ass. Yes please, could I have another?

Derrick, Bradenton, FL

Dear Gent,

My girlfriend Mary sports a nice pair of triple D's. While she's not as big as some of the models in Gent, she is definitely bigger than most girls you see on the street. Me, being a tit-man, am quite content with her natural hooters.

I have been buying Gent for years. I used to keep it hidden from my girlfriend, but one time she walked into the bathroom while I had the magazine in one hand and my hard cock in the other. To my surprise and pleasure, she wasn't upset, but it actually made her horny. We ended up looking at the pictures together and then having incredible sex.

That became our routine every month. I'd bring home the new issue; we'd climb into bed and talk about each model and then have wild sex. It quickly became apparent that she was as into tits as I was. She kept saying how she'd love to play with this ones boobs or that ones. It stunned me when she mentioned that she'd even like to try eating a little pussy. I figured the best way to approach that possibility was to let her lead, so I just sat back and agreed with anything she said.

I had a feeling there was going to be a huge pay-off.

Sure enough, one night I came home from work and found one her girlfriends from her office there. Her name was Abbey and her boobs were at least as big as Mary's. She told me that she was making some drinks in the kitchen, and asked if I would help her. Once we got in the kitchen, she mentioned that she wanted to try some of the things that we had been talking about.

She also added that she and Abbey had already discussed it and she was cool with my being there to watch. I told her that I would support her in anything she felt she wanted to do. With that, we went back out into the living room.

We sipped our drinks and made small talk and then out of the blue Mary says to Abbey, “How about showing us your boobs?”

I have to admit I was pretty stunned to hear those words coming out of my shy Mary, but again, I just kept my mouth shut – and my eyes open.

Abbey stood up, slowly unbuttoned her shirt and let it fall to the floor. In another 10 seconds her bra was off and lying on the heap. Her tits fell out and they were spectacular.

Mary walked right over to her and they wrapped their arms around each other. Their lips came together in one of the most passionate kisses I have ever seen. Mary wasted no time. Before I could get my dick out she had dropped down to suck on Abbey’s hard nipples. She was ravenous in her attack on the stiff buds. After a few minutes of that she pushed Abbey back to lie on the couch and dropped between her thighs.

My cock was harder than it had ever been as she slid her tongue into Abbey’s obviously soaked cunt. I slowly stroked away, trying to hold off from shooting a big load.

Mary licked the twat like she had done it a hundred times before. Abbey had her eyes closed tightly and was moaning like a banshee. I saw Mary’s hand slip down between her legs and slide a finger deep into her swollen slit. Her hips were rotating against the digit as she sucked the fat cunt in her mouth.

After a few minutes she pulled her face around and looked at me. She passionately moaned, “Get that cock over here and fuck me now.”

I dropped to my knees behind her and shoved my steely rod into her in one swoop. As she went back to her box lunch, I took her hips in my hands and started long-fucking her. My cock nearly came all the way out before I thrust it back in to slam my balls on her clit. I knew I wasn’t going to be able to hold out for long, but I could tell that neither of them was going to be able to either.

Abbey had pulled her knees up even with her huge cans, giving Mary full access to her gaping cunt. She started talking really dirty, telling Mary to “lick her hot pussy. You’re going to make me cum, you little lessie slut.”

While I was still managing to hang on, she screamed, “Suck my cunt… I’m cumming! I’m cumming!”

Mary licked harder and faster and I could feel her pussy tighten around my pounding shaft. My balls were bubbling as I felt Mary start to climax at the same time as Abbey. That sent me over the edge and the splooge started blasting from my dick. Both girls were screaming and gyrating their pelvises on the relevant stimulation.

We all came together and then collapsed into a heap. That was Mary’s first foray into girl loving, but I don’t think it will be the last.

AMBER FOXXX IS OUR RESIDENT BIG-TIT ABOUT TOWN. SHE HAS NEVER MET A COCK SHE WON'T SUCK OR A PUSSY SHE WON'T LICK.

Foxxxx on the Run

SHE IS A TRUE "NO HOLES BARRED" GIRL WHO LIVES FOR SEX. ALL HER DIRTY LITTLE SECRETS ARE X-POSED FOR YOU RIGHT HERE, EACH MONTH.

PHOTOS BY BIG DICK JOHNSON

It seems like I draw inspiration every month when I get my copy of Gent in the mail, and one of the latest issues was no different! I was looking through Rhiannon's AVN wrapup in the July issue and I happened to come across a picture of a "sushi girl" from the huge, and wildly successful, after party. I had heard about that going on, but I was too busy at the actual party to see it for myself.

The picture was so intriguing that I decided that I would invite a girlfriend of mine over for lunch; she just didn't know that she was going to be my personal serving tray! I have always enjoyed cooking in the nude, so it was no surprise to Faith when she got there that I was wearing nothing but a smile and an apron. She quickly decided to join me in the buff, and I eyed her perky titties as she sat down next to the table.

I directed her to lie down on the table and relax instead, and she quickly lay down, exposing her entire body to me. I allowed myself a glance as I worked, still trying to hide what was going on until I was ready to let her know. I finished preparing my fruit, which I prefer to sushi personally, and walked over to the table. Before she could protest, I dropped some strawberries across her stomach, and squirted some whipped cream on her erect nipples that were pointing straight up to the ceiling. She gasped in surprise but didn't argue with what I was doing, and I knew she was enjoying herself when I slid a couple fingers up into her pussy to check her reaction by how wet she had instantly gotten.

Faith moaned as I fingered her cunt while I finished spreading my lunch all over her body, and she giggled in delight when I finished what I was doing and pulled

out the biggest banana I had ever seen. I think she knew what was coming as I slipped my fingers out of her snatch and into her mouth for her to taste how excited she was before slowly peeling the banana halfway down. Faith groaned in anticipation while I was sliding the peels back. With a grin, I ran the phallic fruit down her chest and stomach to her wide-open flower.

I split her lips with my fingers and gave her fleshy folds a good licking before sliding the banana deep into her cunt. She moaned in ecstasy as I drove it as deep inside as I could. It looked like a nice fruity place to start, so I slid my mouth up and down on the exposed fruit as I would a hard cock. I bobbed my head up and down a few times, holding the banana with the suction in my mouth, fucking Faith with it as hard as I could with my face.

My sweet girlfriend was as happy as she could be, squirming all over the table as her pussy was being pleased. I pulled some of the banana with me and brought it to her waiting mouth, feeding her some of what I just finished fucking her with. Next I started licking the sweet cream on her pert nipples. They were as sensitive as could be, and she shuddered with every touch of my tongue to her flesh.

She came over and over as I worked over her sticky body with my tongue and fingers, and before too long we were both covered in whipped cream, fruit juices, and our own juices! At that point, I was pretty full so I wiped her down and invited her to join me in the shower. She quickly followed me (I think she would have followed me anywhere at that point) and we got into the hot water to rinse our bodies. I lathered up quickly and helped her get the sticky juices off her

body before I hopped out and ran to my bedroom quickly to get a surprise!

I heard Faith turn the water off and I stepped out into the living room and sat down on the couch to wait for her. She came out to find me, and her eyes widened as she noticed that I was wearing my brand new strap-on that I had been saving for someone special! Faith was only too eager to volunteer, and she instantly got down on her hands and knees for me to split her fleshy cunt lips with my fat rubber cock.

I spit on her pussy before trying to push in my thick toy to lube her up a little, but as I pushed forward with the strap-on I found I didn't really need to. Her cunt was dripping wet just from thinking about getting filled up, and I pressed forward as deep inside as I could, burying my new toy into my friend. She was more than eager, and backed herself toward me to get filled faster.

I knew she needed to be fucked after all the fun foreplay, so I quickly grabbed her hips and started pounding away at her snatch. She was rocking back and forth to meet my thrusts, and the strap of my harness was rubbing hard against my clit. Her pussy was full and I was getting off just listening to her. The friction on my clit was enough to send me over the edge at the same time as she screamed out in orgasmic pleasure.

I sat back, still feeling the shuddering after effects of a job well done, pleased that my tool had done just what I had intended. Faith lay down on the floor in front of me and sighed asking me when we could have lunch again! I plan on doing it very soon; hopefully next time I can make it more of a COCKtail patry! Keep on cumming! *Amber Foxxx*

THE NEWS RACK

ALL THE NEWS WITH TITS

By Steve Nelson, Editor-in-Chief of Adult Industry News (AINews.com)

GENT MAGAZINE • FEBRUARY ISSUE #131

ALEXIS SILVER

I was delighted to find Alexis Silver at the L.A. Direct sponsored "Big Boob Bonanza" event at Rouge Gentlemen's Club. Several girls showed up to give support to those featuring.

I asked her, "What's up?"

In her sexy English accent she said, "I'm going on stage tonight due to cancellations - seems I have the right qualifications", while jiggling her big beautiful boobs at me. And what a beautiful rack indeed! Totally natural and so shapely with beautiful nipples! The girl is truly blessed!

Alexis was a stripper before doing movies, so she has the moves and is at home on the stage. She started dancing three and a half years ago and came to Los Angeles two years ago.

Alexis is planning on marketing a range of merchandise soon. High-end stuff - nice photography, more mainstream merchandise - to places like Target and Wal-Mart. Look for glamour shots and the like of Ms. Silver there. Want the hard stuff? You can still shop for quality smut and XXX goodies through her AlexisSilver.com website. In spite of her having difficulty finding a Webmaster, she is developing a nice website. Fans can send her email and see her pictures on her MySpace page at MySpace.com/AlexisSilver where she regularly updates her blog and calendar.

Alexis just finished the movie "Taking Memphis", directed by Vanessa Blue. Vanessa produces a really good product, so you should keep an eye out for that one and scoop it up as soon as it streets! In the movie Alexis does a girl/girl with Alana Evans and a boy/boy/girl with Chris Cannon and Alec Knight. I'm looking forward to seeing "Taking Memphis" come through the Adult Industry News office for review so I can give it a watch myself!

To book her or any of the other girls at L.A. direct call 818-752-5080 or email Derek@LADirectModels.com

TIT BITS

What a great month! I saw Sinnamon Love on the set of PrimeTimeUncensored.com. There's a bunch of gorgeous girls hosting shows there. Vanessa Blue is there with a show called "Blue at Night" and I can never get enough of her! Her tits keep getting bigger! Vanessa and Marie Luv are her co-hosts.

Veronica Rayne has a show with Michael Fattorosi, the producer of PrimeTime Uncensored, called "Breaking the Law". I hope to catch up with her soon for an interview.

Caught "Wankus Live" with Nautica Thorn and Ashlynn Brooke - and of course the infamous Porn Jockey Wankus - Ashlynn is another I'd like to... ah, interview.

I lead Savannah Jane to PSK (Porn Star Karaoke) on her chopper. She squeezed her tiny frame and big boobs into a leather outfit that was really hot! Look for an upcoming interview of her where she spontaneously fucks her driver and me!

Saw Midori at her birthday bash at Shenanigan's Gentlemen's Club. RayVeness was there and did a set on stage in support of Midori. I got a lap dance from RayVeness before leaving because I just could NOT resist her rack in my face!

I went with Anita Cannibal to check out a new swing club. Mistake! I can only remember my face between Anita's humongous hooters. Next time I've got to remember to go with a girl who I don't look at all night!

I actually finished writing up a Candy Manson MiniView on a windy road from Istanbul to Kirklareli. I'll post a picture of me writing about how Candy Manson was talking about her pubes at MySpace.com/ReadAINews. I'm in Turkey looking for girls of glandular girth to interview for The News Rack. No luck yet, but a friend knows the owner of the only strip club in Istanbul so I may just get lucky. I'll let you know how it went next month.

Kitty Lee is out of "retirement" again, but with the lag of magazines going to print she could have a new boyfriend and be "retired" again by the time you read this! Be sure to read Adult Industry News at AINews.com for the latest news as it happens.

CARLY PARKER

From time to time an event comes along that jackpots into a real boobfest! July 10th was one such occasion when L.A. Direct Models brought some girls to Rouge Gentlemen's Club in Van Nuys.

"Bra Bustin' Bonanza" was what they called it and the three girls I interviewed - Carly Parker, Candy Manson and Alexis Silver - had just that, a bonanza of big beautiful boob-meat!

Carly Parker is sure a lot of fun! She opened up the feature show with a number she called "ridiculous, a laugh - planned for weeks to be sexy", and I laughed so hard I cried! The girl has a body to die for and I love to watch her jiggle. She has a great sense of humor. Read Myles Shaffer's account of the entire night at AINews.com/story/12115/

Carly lived in South Florida before moving to the L.A. area and says she hates judgmental people. She's definitely fun-loving and enjoys what she's doing. Carly's mom visits and stays with her at the LA Direct house with all the pornstars. She lives in Florida and came out for Carly's birthday. She says her Mom loves it!

On the topic of school she spouts, "I have a college degree - and it's REAL!" She majored in philosophy, minored in religion. Here's the kicker; some real incentive to stay in school is she likes to fuck educated guys! Makes you want to renew your Mensa membership doesn't it?

Carly says a gangbang with 7 guys in her personal life is the hottest thing she's ever done!

Look for Carly at MySpace.com/CarlyParkerXXX and GonzoCarlyParker.com coming soon.

Rhiannon's

Breast Of Times

As you all know, I have always loved tits. I love them big, I love them small, I love them implanted, but I especially love those huge, saggy, natural udder type boobs. I love to sink my face into the cleavage, surrounded by all that soft tit-flesh. I used to frequent a fetish club in NYC called The Vault. The nights I spent there – and there were many – were some of the wildest of my life. You would not believe all that went on under the streets of New York in the meatpacking district. In his infinite wisdom, Giuliani decided that we were having too much fun and closed the place down. Anyway, at the time, there was a barmaid there named Sharon. She had a pair of the biggest natural tits I have ever seen. She was at least as big as Maria Moore's – who I would also love to sink my face into, I might add. On one of many different nights she came out from behind the bar to let me play with her incredible mounds of boobage. I eased her shirt up to expose the huge objects of my desire. I took one in each hand and kneaded the squishy flesh. Leaning forward I placed my face in her deep cleavage and sucked in mouthfuls of the doughy treat. I brought each nipply morsel to my mouth and sucked it in. My head was swimming from the degree of passion that was washing over me. I went from one nipple to the other, all the while squishing and squeezing the sweet play-doh. My pussy was getting so wet from just immersing myself in her huge udders. It wasn't all one-sided with Sharon. She let me play with her massive chest all I wanted, but she wanted something too. She wanted to lick out my sweet pussy. Now I really don't have a problem with that. Hell, I'd let her lick my cunt even if she didn't have those incredible orbs, so the price was not all that

high. Anyway, so I played with her huge wonder tits for quite a while, until she was all juiced up. People gathered around to watch our little tryst. At The Vault pretty much anything and everything went on, so whichever way you turned, there was some sort of perverse action happening. And two girls together was always a crowd pleaser. Sharon gave me ample time to get my fill and then she set me up on the back of the couch and dropped her face between my thighs. Like I said, after spending quality time with her tits, my pussy was dripping copious amounts of girl cream. She wasted no time before flicking her tongue over my pulsing little clit, sending shock waves through my entire body. Her hands came up to cup my ass cheeks and pull my gooey slit tighter to her face. Her tongue shot out penetrating me while she rubbed her lip across my swollen nubbin. I closed my eyes and let my head fall back against the wall. One of my hands went to the back of Sharon's head, while the other one got a grip on my own monster tits. I always love putting on a show and even though I am thoroughly enjoying what Sharon is doing, the fact that we are being watched just serves to make it even hotter. The deeper she probed my gaping pussy with her tongue, the deeper I fell into the passion of the situation. As I rode her face harder and faster moans were escaping from my mouth. I wasn't the only one building to a climax. I heard guys moaning all around us. I opened my eyes for a second and looked around the room, seeing that most of them had their hard cocks exposed and were stroking away. That got me going even more and I began to deliberately put on a show for them. With the way Sharon was licking

me it wasn't really acting. I was grinding away on her pretty face, feeling her thick tongue going in and out of my tight hole and then licking my hard clit. My hips rotated and pushed up even tighter to her. My climax was now about to become a reality as she sucked on my clit, firmly biting it while sucking it between her lips. My juices were running down my thighs and all over Sharon's face. She continued assaulting my sweet pussy until I was unable to hold back any longer. My entire body seemed to be hard-wired to my clit. As she licked away sparks were shooting out to my toes and my fingertips. As the initial wave washed over me, I lost track of everything around me and just went with the explosion. My cunt throbbed and pulsed as Sharon kept up the pressure. She sure knew her way around a pussy and she was showing me all her tricks. I started to moan softly, but the volume began to escalate as the cum came harder and faster. My knees were pulled up and I had her head in both hands. My body was convulsing uncontrollable for what seemed like an hour. It was so incredible that I didn't want it to ever end. Finally, I couldn't take anymore, so she began to back off. Licking lighter and lighter until she moved up my body to slip her cooze-covered tongue into my mouth. I sucked it like a cock for a few minutes and then picked each of her huge tits up to suck on the erect nipples. As I looked around the room I saw that our little show served to get all the guys off. They were all putting away there shrinking dicks. I sure miss those wild nights at The Vault, but I miss Sharon's tits even more. I wonder what ever happened to her.

TAXI CAB CUNTFESSION

WRITTEN BY TINA DUBBELDEE ILLUSTRATION BY AARON WARNER

"Are those real?" I heard Brian say as my mouth gobbled down his fat pecker. Since high school I've heard the same question from probably fifty guys. Not all of them found out the answer, but it usually came up at some point. Much like the boner I was currently stuffing in my face, sucking off.

Brian reached around to unfasten my bra and found it difficult to do in the back of the moving cab. My head bobbed up and down on his thick shaft as I gave him head and his hands moved frantically to let loose my big double-Fs. My big boobs developed early, quickly filling out my older sister's soft sweaters, until I seemed so top heavy it was awkward if people didn't notice. And for as original of a guy Brian is, even he fell into the booby-trap of amazement like everyone else who has seen them, where they can only mutter basic phrases when in the presence of my natural wonders.

Fourteen lovers by the time I graduated, five lesbian encounters in college, and this was the third guy whose cum I tasted since starting my new job. All in the backseat of various taxi cabs. I can't help it. It started when I was only 18 and began going out on dates. For years the boys in school watched me bounce down the hall as my big tits would swing. Daddy kept me from boys as long as he could. I was only allowed to go out if the boy picked me up in a cab and brought me home in a cab, never in their own car without anyone else around. But when you're horny and have tits like a cow, and boys can't keep their hands off you, why let a silly thing like a cabdriver get in the way of a good time!

From the movie theatre to my parent's house I had exactly 22 minutes to see how many bases I could clear before daddy would watch me get out of the car from the front porch. Danny wasn't the first, but he was the fastest. Maybe being on the baseball team helped his ball handling skills, because they were in my mouth before the cab door was shut! I ripped his pants getting his cock out and I jacked him off all over my face while I sucked his big balls. Then I nearly smothered him, riding his face all the way home as the cabdriver watched my big udders jump with every pothole I think he aimed for on purpose.

And even after all those times in a cab, I only got fucked by one cabdriver. I was out with Jerry Michaels and he left the theatre sick so I went home alone. That's when I realized what was happening. The cabbie watched me in the backseat as I started to grope my own big boobs, and lift myself out of my bra, exposing my swelled nipples to the warm air. I was in heat! It was the cab. The sound of the vinyl seats. The smell of the cherry air freshener. The rush of getting it on fast before getting to my house. From all those times being driven home and making love in the backseat, it had become my own aphrodisiac.

I rested my heels on each side of the headrest in front of me and pulled up my skirt, fingering my quivering twat. I was so wet my stabbing fingers made a slurping noise. Before I knew it, the cabdriver had stopped the car and climbed in the back to squeeze his penis in the cleavage of my enormous rack. With a knee on each side of me, he fucked my tits as I continued to get off on my fingers, his big prick jumping in and out of my mouth. Finally he relieved his raging hard-on, blowing his sloppy load in my mouth. Of course I had to swallow it all or run the risk of Daddy seeing it on my shirt when I walked in.

So now every time I get in a cab I crave cock! Or at least a good fuck. Shopping with my best friend Trish got exciting. The look on her face when I kissed her, reaching for her own breasts, is unforgettable. She sucked my big titties and even she couldn't resist asking, "Are those real?" Which brings me back to my co-worker Brian, who up until two stoplights ago thought he was just sharing a cab to the airport for a business trip.

I tried to contain myself, but with my big boobies bouncing around, I knew it was only a matter of turns before I had to have it. I said, "I want you," and as he turned to look at me in confusion, I already had my top two buttons undone. I grabbed his buckle and whipped it out, yanking his pants down just past his thighs. His cock was meaty and I took it in my mouth to make a boner I could screw, acting on impulse and routine from the habits of cab fucking instilled in me so early on.

"Are those real?" he asked and I couldn't reply. His big hard dick filled the space inside my mouth and began to extend down my throat. I sucked it in and out, fondling his balls with my fingers. His hips bucked as he fucked my face, gripping my heavy tits and lifting them out of the bra he couldn't unfasten. He quickly lapped at my titty hard-ons, flicking my erect nipples with his persistent tongue.

Before he lost his load in my face, I moved to straddle his raging cock. He gripped my ass and I leaned into him so he could really get a mouthful of my naturally big tits as I delicately slid his extended member into my slick, pouty hole. My pussy lips parted for his stiff head and he slammed it deep inside my twatty. We fucking banged like jackhammers, his cock spearing my pussy without relief, as I gripped the fat of my bouncing chest and smashed the massive juggs into his face. The bastard fucked me hard and so deep I never felt so good, and I all I wanted to do was squirt a fucking jet stream of girl jizz all over his pecker and balls as he screwed the shit out of me.

I turned around, now facing the driver, and sat down on Brian's big cock. The sensual pain of his driving dick deep inside my uterus made me tremble and I bit the driver's ear, moaning in ecstasy. Reaching over the seat, I felt the driver's own penis hard with envy and pulled it out to stroke him off. With my co-worker hammering my ass with his cock up my twat and grabbing my massive tits, I jerked off the driver with both hands. He struggled to keep the speeding car on the road as his hard dick jerked and twitched in my hand, releasing a blast of creamy junk all over my fingers. Brian soon followed and shot a thick stream of cum in my hole, pulling out just in time to spurt the last blast in my ass crack. The warm man-milk sent me over the edge and I finally squirted a dose of my own girlie-cum in his lap, coating his balls, and ruining his pants. It was so good. So fucking good.

We collapsed in the seat, giggling at the gooey mess, and decided to skip our flight so we could take another cab back to the hotel.

CONFESSIONS

Of A Big-Tit Slut!

VIDA SADORA WITH KERRA DAWSON

I had just gotten into the sex business when I received a call about a Web Content Party that some people were throwing. What that is, is a group of people getting together for a night, (or in this case, a couple of days), and doing anything and everything sexual. Every activity is photographed and video taped and at the end each participant gets copies for their websites.

I didn't know anyone else who turned up, but I did get friendly with Kerra Dawson right from the start. We both have similar bodies, so I was readily attracted to her. Her titties, like mine, are all soft and natural. The more we talked, the closer we got and the closer we got, the more I wanted to dive into her face first.

There were a lot of girls and guys there, so we mixed it up pretty well. I ended up fucking a few of the guys, which was great, but my real desire was getting to spend some "quality time" with Kerra.

Finally, on the second day, I was told that I'd be working with her in a girl/girl set. My pussy immediately began to get wet. By the time we stepped on the set, I was downright gooey. I took Kerra in my arms and pulled her close. Well I pulled her as close as I could with both of our big, soft boobs between us. Her tits felt so wonderful up against me that I swooned and my knees nearly buckled.

Our lips pressed together firmly as I snaked my tongue into her receptive mouth. Passion was beginning to get the best of me and I just went with it. Kerra was obviously on the same page, as she slid her hand down and used her finger to part my drippy lips. She guided me back to lie on the bed and dropped between my spread thighs.

Her mouth instantly clamped down on my pussy and I felt her tongue split the lips. It penetrated me a few inches, sending sparks through my entire body. My head fell back and my eyes tightly closed. What she was doing to my cunt was incredible and I felt myself careening past the point of no return. My pussy lips were all swollen and my love bud was fully pumped up. I let myself explode all over her licking face, knowing that this was going to be an appetizer leading to the main course.

Her licking backed off a bit as I drifted back down to Earth. I pulled her up on top of me and firmly kissed her while licking up my girly cream from her face. I pushed her back and dove between her own thighs. I pulled a thick dildo from under the pillow and touched the tip to her wanton pussy. I pressed gently until a little bit split her pussy and slipped inside. As the phallus eased it's way in, her pussy lips were stretched taught.

As I moved the mighty toy slowly in and out, I leaned forward and flicked the tip of my tongue across her little clit. I felt her body twitch and then I licked her again, this time a little harder and a little faster.

She took my head in both hands and pulled me in tighter. I was keeping the toy moving at a fast, steady pace as I alternately flicked and sucked on her pussy pod. She began rotating her hips, grinding against my face. She was using me to get off and I was only too happy to oblige. Her pussy tasted hot and sweet and I couldn't get enough.

While she still had a hold on my head, I slid a hand under her ass to lift her right to me. Her heels were firmly planted on the bed and she lifted her hips up to allow me full access to her incredible cunt.

Her moans were so loud that I could feel everybody else in the studio watching our performance. I didn't care who was watching as long as I got my piece of her.

"I'm coming, ahhh!", she screamed, as she exploded all over my face and hand. I was still fucking her with the thick toy as she pulled me so tightly into her, I was afraid she was going to break my nose. But, I didn't care; I just kept licking and sucking.

I eased off a bit and slowly pulled the toy from her pussy. I slithered up her body so that our big boobs were mashed together. I brought the sticky toy up to our mouths, so we could share the sweet treat. We took turns licking up the cunt cream. After a few minutes I rolled off her to lie on the bed next to her, to the cheers and applause of everyone present.

That was the start of a very sexy friendship that continued later in the hotel. Too bad, there were no cameras for that night!

FUCK MY TITS 2
Carly Parker

This is THE all natural tit fans movie! If you are craving those natural milk bags wrapped around your throbbing dick, you have made it to the right place. Big titted Alexia knows how to work her yummy curves for the camera. Alexia loves her tits and so will you! Juggling her natural tits in her hands Alexia talks up how much she likes to just rub her own boobs and lick her own nipples. The chubby chick even does some jumping jacks for your pleasure. Without a stitch of clothing on the busty brunette squeezes out some lotion and rubs her soft bouncy jugs while making sexy sounds and faces for the lens. A guy comes in behind her and manhandles her melons before she drops to her knees and tit fucks him. It's all about the breast banging as Alexia works her udders up and down his shaft. Popping his cock in her mouth, the brunette sucks him off to a quick popshot all over her jugs. Hot chocolate Candace Von shoves her bikini-covered tits at the camera and bounces them in her hands before peeling off her top. Putting some creamy lotion on her boobs she lubes them up and has the guy screw her chest. Her 36DD boobs swallow up his cock and he can't keep his hands off of her fleshy mounds. He really fucks her tits and jerks off on her delicious mounds. Carly Parker is a sexy blonde with a cute face and massive titties. The action is really hot and if you haven't popped yet, you will during her titty-screwing scene. It was difficult to really concentrate on her scene for obvious reasons; Carly is too fucking hot! Emilianna looks somewhat like Hulk Hogan's daughter Brooke, except she's not as tall and has a killer set of all natural titties. Her tits are kept in check by a nice black bra. Oiling up her natural jugs she has her lovely boobs Emilianna sighs and moans in such a sex kitten way it will make YOU moan too. Claudio Meloni screws her breasts with gusto and he pops on her left tit. It ain't over yet, Emilliana returns the favor by giving him some great ball draining head. Of note, Emily's tit fucking threesome and Kaylee's tit-fuck and ass eating extravaganza. This flick is packed tight with so many great looking girls with beautiful bouncing all natural boobs; it's almost criminal. —Will Hunt DDD-CUP

BACK STAGE PASS

STARRING DEVYN DEVINE

TEXT AND PHOTOS BY ANTON FURY

Devyn Devine is one of the horniest little nymphs I've ever seen. You drop a cock in her face and she only too willingly swallows it and sucks the shit out of it. She is the perfect girl for porn; she just plain loves sex. Being around her is contagious. She is so enthusiastic about being in porn. Hell, she's the perfect girl to have waiting at home after a hard day at work. And let's not forget about those huge natural tits!

She was in the studio to do some vid for her website. She had hired a couple of stunt cocks to fill her holes. She seems to have a pretty good business head, but I believe her driving force is definitely the cock.

When the guys first arrived Devyn greeted them with a request to see their cocks. She immediately dropped in front of each guy and sucked his dick down her throat. She did each guy for a minute until they were good and hard and then stopped. She stated that she just wanted to get the lay of the land and make sure that all the parts worked.

When it was time to get on the set she didn't want to work with just one guy; she wanted both of them at once. After a few obligatory tongue kisses, she pulled them down to her massive titties and told them to get to work. Each guy sucked one of her thick nipples into their mouths. She took their heads in her hands and pulled them onto the monster mounds. All the while their cocks were standing at full attention.

I know that Devyn wasn't going to be able to let them sway in the wind for too long. Sure enough, before I could finish the thought, she was on her knees with one cock in each hand. She turned her head to the left and sucked that dick right into her mouth like a starving bird and after a few slurps of that one; she turned to swallow the other one. This went on for quite a few minutes with the boy goo dripping onto her wonder boobs.

Once the boys seemed on the verge of eruption Devyn kneeled on a chair and pulled one of the boys into her well lubed cunt while the other she swallowed again whole. She swayed back and forth on the man-meat rotisserie. Her big floppy fun-bags were sway to the beat of the meat pistons pummeling her pulsing pussy.

The boy in her twat took charge and flipped her onto her side where he could get full access and continued the penile barrage, while boy 2 dropped his beef jerky into her open mouth. They moved her into all sorts of positions until placing her back on the floor between them. It was obvious that both guys were on the verge of bursting as Devyn sucked them both alternately until they both blasted her tits with their goop.

Since she hadn't got her rocks off yet, she told use to all sit back and watch her. She pulled out a glass dildo and sucked it right into her mouth. This chick definitely has an oral fixation. So, she sucked the glass phallus for a few minutes really putting on a show, getting us all worked up. She next slid the toy between her huge soft boobs and titty-fucked it. Those babies were just made to have a cock sliding between them. She obviously is an exhibitionist.

While looking at each of us, she placed the glass cock to her nether lips and pushed it in. Her pussy parted like the Red Sea as she swallowed the cock. After a coupled of strokes, she picked up the pace and started to slam the toy cock into her cunt up to the hilt. Her hand was slapping her clit with each stroke and it was quite obvious that she was getting very close herself.

The two stunt cocks hadn't bothered putting any clothes on and were stroking their newly re-engorged members.

Devyn easily managed to push herself over the edge while we all watched. Her eyes were tightly closed, with her head thrown back in throes of rapture. She had fallen back to lie on the floor as she continued beating her pussy. The moans started deep in her throat as the orgasm enveloped her. She was actually talking to herself, saying, "Come on, fuck me... harder...harder. That's it, come on baby, " as she started screaming and moaning.

At this point the stunt cocks moved over to her and let their seed spew forth and splash down all over her gigantic tits. Once she had settled down, she sat up and sucked each of their cream-covered cocks into her mouth to clean them off.
